

## Information For All Persons Registered

The official bulletin of information for persons registered for the draft arrived here Sunday and the important points should be read and remembered by everyone affected. There are twenty sections to the information, the following instructions being emphasized in respect to the first five:

1. Find out what board has your card and where the office of that board is.
2. If you intend to make a claim (for exemption) on industrial grounds including agriculture, learn what district board to apply to.
3. Inspect the list and inform yourself of your red-ink serial number.
4. Go to your local board and find out the order in which you stand for call.
5. Watch the lists at the office of your board and see when you are called for examination.

6. Watch the notices posted in the office of the board about ten days after the day you were called and make arrangements for the prompt receipt of mail.

Under section 7 occurs this important information:

(a) No claim of discharge on account of the industry in which you are engaged can be decided by a local board. (See Par. XV below.)

(b) Whether you file a claim of exemption or not, you must present yourself for physical examination on the day named in the notice.

From the day notice that you are called is mailed and posted you have seven days in which you may file a claim of exemption or discharge. The form for filing this claim is simple. If you wish to file such a claim—

(a) Go to the board and get Form 110 for exemption or Form 121 for discharge. If the board has not the printed forms ask to consult the form pamphlet and copy the form shown there.

(b) Fill out the proper form and file it with the board.

(c) Do this within seven days of the posting and mailing of notice to you to present yourself.

The following are the only grounds for exemption:

1. That you are an officer, legislative, executive, or judicial of the United States, a State or Territory, or the District of Columbia.

2. That you are a regular or duly

ordained minister of religion.

3. That you were on May 18, 1917, a student preparing for the ministry in any recognized theological or divinity school.

4. That you are in the military or naval service of the United States.

5. That you are a subject of Germany, whether you have taken out papers or not.

6. That you are a resident alien who has not taken out first papers.

In addition to claims for exemption claims for discharge may be made on any of the following grounds, which are the only grounds for discharge by a local board.

1. That you are a county or municipal officer.

2. That you are a customhouse clerk.

3. That you are employed by the United States in the transmission of mails.

4. That you are an artificer or workman employed in an armory, arsenal, or navy yard of the United States.

5. That you are employed in the service of the United States (under certain conditions). See paragraph (e) of section 20, Regulations.

6. That you are a licensed pilot regularly employed in the pursuit of your vocation.

7. That you are a mariner actually employed in the sea service of any citizen or merchant within the United States.

8. That you are a married man with a wife or child dependent on you for support.

9. That you have a widowed mother dependent on your labor for support.

10. That you have aged or infirm parents dependent upon your labor for support.

11. That you are the father of a motherless child under 16 dependent upon your labor for support.

12. That you are a brother of an orphan child or children under 16 dependent on your labor for support.

13. That you are a member of any well-recognized religious sect or organization organized and existent May 18, 1917, and whose then existing creed or principles forbade its members to participate in war in any form and whose religious convictions are against war or participation

therein in accordance with the creed or principles of said religious organization.

These are the only grounds for exemption or discharge by a local board.

Another person can file a claim in your behalf, but must use different forms in filing the claim.

VIII.  
**TEN DAYS AFTER FILING CLAIM TO FILE PROOF.**

Your claim of exemption or discharge must be filed within seven days of the day on which notice to you that you are called was posted and mailed. But after you have filed your claim for exemption or discharge you have ten days within which to file proof.

The method of proving claims is very simple but it is rather exact. If you follow the rules given below you will have done what is required of you.

First. Go to the local board and consult the regulations to find out the form number of the affidavits that you must submit for your particular claim.

Second. Ask the board for the blank affidavits that are necessary in presenting your proof; if the board has no the forms, ask to consult the pamphlet of forms.

Third. Have the affidavits properly accomplished and return them to the board within the time limit assigned you—10 days from the filing of your claim.

Remember:

(a) You must submit your proof in the prescribed form and the board has no authority to exempt or discharge you unless you submit all the affidavits required by regulations.

(b) There will be no argument before the board and no proof other than the prescribed affidavits unless the board calls for other proof which it will do in only a limited number of cases.

IX.

**WHEN CLAIMS ARE DECIDED.**

Every claim for discharge or exemption will be decided by the local board within three days after your affidavits have been filed.

X.

**CERTIFICATE OF EXEMPTION OR DISCHARGE.**

If your claim is allowed a certificate of exemption or discharge will be issued to you.

Remember:

(a) This certificate may be recalled at any time.

(b) If it is temporary or conditional, it becomes of no effect when the time or the condition named are fulfilled.

filled.

(c) You have been drawn for military service and when the condition that has postponed your posting to the colors ceases you may be recalled at any time.

(d) Remember that your case may still be appealed to the district board by the Government and on this appeal your certificate may be withdrawn at once. When so withdrawn you stand precisely as though you had been selected for military service by the local board.

XI.

**ADVERSE DECISIONS ON CLAIM.**

If your claim is disallowed by the local board your name will be certified and sent by the local board to the district board as one who has been called for military service and not exempted or discharged. Within two days thereafter, if practicable, a list of those so certified to the district board will be given to the press with a request for publication, will be posted in the offices of the local board accessible to the public view, and notice will be mailed to the address on your registration card.

Therefore, if you have filed a claim for exemption and proof in support thereof, watch the notices in the office of the local board beginning about five days after you have filed your proof to see what disposition was made of your case and make arrangements for the prompt receipt of mail.

XII.

**HOW TO CLAIM APPEALS TO DISTRICT BOARDS**

Claims of appeal may be made by a person within 10 days after the day when notice has been posted and mailed that such person's name has been certified to the district board as one who has been called for service and not exempted or discharged.

Therefore if you desire to appeal—

1. Go to the local board and get or copy Form 153 or 154 for filing your claim of appeal.

2. Get or copy also Form 151 or 152 for notifying the district board of appeal.

3. File your claim of appeal (153 or 154) with the local board.

4. Send your notice of appeal (Form 151 or 152) to the district board.

5. Do this within 10 days from the day when notice that your name was certified to the district board was posted and mailed.

Remember:

1. You can only appeal the final order of the board exempting or discharging or refusing to exempt or discharge you. You can not appeal
